

## Parent Guide: Learning while in Quarantine

This year all PK-8 students at Crystal Park will have Google accounts, with access to Google Classrooms or Google Sites that can be used and accessed while at school and while at home.

### What is a Google Site?

Google Sites are websites teachers can modify to create a unique classroom website.

### What is Google Classroom?

Google Classroom is an online classroom. It makes it easy to create classes, distribute assignments, communicate, and stay organized. Google Classroom increases the ease at which students can hand in assignments from home.

### What is Google Meet?

Google Meet is a conference software like Zoom that teachers can use to teach live, interactive lessons online.
